

BENEFITS & INSURANCE

2.1.19

EMPLOYEE BENEFITS

An employee compensation package consists of both salary and benefits. In designing a compensation package, the employer should make every effort to provide employees with a fair and equitable return for their work.

RETIREMENT

- ◉ District employees qualify for the Wyoming State Retirement Plan but supervisors do not qualify. All part-time employees who work over 25 hours per week must be included in the plan. W.S. 9-3-427 (please see WACD Procedures Manual for additional information)
- ◉ Information on the Wyoming Retirement System can be obtained by contacting the Director at (307)777-7691 or FAX (307)777-5995 or visiting their website at <http://retirement.state.wy.us/>

RETIREMENT

AS PER A MEMO FROM WYOMING RETIREMENT SYSTEM DATED 2/4/10 (SEE HANDOUTS FOR COMPLETE MEMO):

- All employees must be enrolled in WRS beginning from the date of employment regardless of any probationary period the agency may apply for other purposes. Probationary periods are not allowed for purposes of retirement plan enrollment, consequently all employees must be enrolled in WRS effective from the date of employment

RETIREMENT

AS PER A MEMO FROM WYOMING RETIREMENT SYSTEM DATED 2/4/10
(SEE HANDOUTS FOR COMPLETE MEMO):

- ⦿ Generally, participating employers must enroll both full-time and regular part-time employees in the plan starting from the date of employment.
- ⦿ Employees meeting the definition of “member” according to Wyoming Statutes must be enrolled in one of the WRS defined benefit plans. Employees not meeting the “member” definition are not to be enrolled

WACD DELTA DENTAL PLAN

- ◉ District employees and supervisors are eligible to receive dental insurance through the WACD Delta Dental Group plan. Contact WACD for enrollment procedures, rates and benefits.

HEALTH INSURANCE

- ◉ District employees are eligible to receive health insurance through the WACD Group plan.
- ◉ In 2007, the coverage was offered to District supervisors as long as a majority of the board participated in the plan or showed proof that they were covered under another plan. At that time, the Districts were asked to sign a resolution to add their Board to the coverage. Only one District submitted the resolution. Currently, no other District supervisors can participate in the program

HEALTH INSURANCE

- ① Life insurance through Lincoln Financial is mandatory for all employees and supervisors participating in the group health insurance plan.
- ① Premiums for life insurance are payable quarterly, in advance, to WEBT. WEBT will send out reminders before the end of each quarter that premiums are due. Nonpayment by one District can jeopardize coverage for all Districts.

SICK TIME

- ⦿ Nothing in state or federal statutes require an employer to provide sick time.

COMPENSATION TIME VS. CASH OVERTIME PAY

- ⦿ Non-exempt employees of state and local government can earn and accrue compensatory time off (comp time) in lieu of immediate cash payment for overtime
- ⦿ The Fair Labor Standards Act requires that comp time be earned at a rate not less than one and one-half hours for each hour worked overtime

See 29 CFR 553.22

COMPENSATION TIME VS. CASH OVERTIME PAY (CONTINUED)

- ⦿ An agreement or understanding between the employee and employer to use comp time in lieu of overtime payment in cash must be reached prior to the performance of work
- ⦿ The agreement should be put in writing, and can become part of position description
- ⦿ Such an agreement does not automatically extend to all employees; employer does not have to provide similar agreement to all employees

See 29 CFR 553.23

COMPENSATION TIME VS. CASH OVERTIME PAY (CONTINUED)

- Records must be kept containing basic employee data and must also contain:
 - Number of hours of comp time earned each work period
 - Number of hours of comp time used each work period
 - Number of hours of comp time compensated in cash
 - Copy of written agreement of compensation time in lieu of cash overtime pay

See 29 CRF 553.50

WORKER'S COMPENSATION/ UNEMPLOYMENT INSURANCE

WORKERS COMPENSATION

WORKERS COMPENSATION IS A MANDATORY INSURANCE POLICY, WHICH PAYS MEDICAL BILLS AND JOB BENEFITS TO WORKERS INJURED ON THE JOB.

- ⦿ If a District employee performs work in the field, the Conservation District should establish an account and pay premiums on the gross salary of each employee.
- ⦿ Clerical workers can be exempt from the program, however it is not recommended. If the District has not elected total coverage for all of their employees, no premiums should be paid and injuries that occur on the job are not covered.

WORKERS COMPENSATION

- ⦿ All Districts must open an account with Workers Compensation and then make monthly payroll reports to the Dept. of Employment. If an account has not been opened the District may be required to pay back premiums of up to two years.
- ⦿ If an employee is injured on the job and no account has been opened, nor premiums paid, and the job is covered by Workers Compensation, Workers Compensation will pay the medical bills and job benefits. They will then collect these funds from the employer.

UNEMPLOYMENT INSURANCE

- ⦿ Conservation Districts are subject to Wyoming Unemployment Laws and should have an “account” with the Department of Employment in Casper. Payments should be made to the account on a quarterly basis.
- ⦿ In general, both full and part time employees are eligible for benefits if they are laid off.
