Dear Bart,

The Sublette County Conservation District (SCCD) is responsible for addressing all natural resource issues (W.S. 11-16) and are given the authority to provide subdivision reviews and recommendations (W.S. 18-5-306(b)) regarding soil suitability, erosion control, sedimentation and flooding. SCCD has provided the following recommendations for your review. If you have any questions or concerns feel free to contact me.

Sincerely,

Michael Henn
District Manager
