Omni-2 Electric Livestock Waterer. OmniFount blends technology from both our traditional stainless steel units and our insulated poly units to provide the premier livestock fountain. Designed with animal safety in mind, the Omni 2 features smooth rounded edges and a fully insulated casing for energy efficiency. The stainless steel trough features thermostatically controlled heat elements that are attached to the underside for frost free service even under the most severe winter conditions. The Omni 2's single trough has a fast refill valve providing fresh water for up to 40 head of cattle or horses.

Phantom 3 Drone Package
2.7K video and 12MP stills from the 3-axis stabilized integrated camera makes the Phantom 3 Standard a strong value. Enjoy the view: A live video feed gives you a 720p HD real-time view of what your camera sees right on your mobile device. •View a live image streamed from the drone up to a half mile away on the free DJI Go app using your mobile phone or tablet. •GPS assisted flight features let you concentrate on getting great images while the drone helps you fly safely. You can achieve advanced camera perspectives with the Point of Interest, Follow Me and Waypoints modes (pending app feature availability). •Fly up to 25 minutes with the included intelligent battery. •A range of accessories is included: 1 battery and charger, 2 full sets of propellers, radio controller, 8GB micro SD card
