Dear Kelly:

Popo Agie Conservation District would like to apply for exempt license plates.

Popo Agie Conservation District is a subdivision of local government and was organized in 1942. In 1988, the voters authorized mill levy funding for the district and the voters renewed the mill levy every four year until 2004. In 2004, the voters authorized a petition recall election and the District is not required to return to the ballot unless 10% of the voters petition the mill levy question back to the ballot.

Popo Agie Conservation District is led by a five member Board of Supervisors. Those board members serve voluntarily for a four year term of office, and are elected on the General Election ballot.

If you have any questions or need further documentation please do not hesitate to call.

Sincerely,

Jeri Trebelcock  
Executive Director
