

Surface Water Program Manager

Sublette County Conservation District-located in Pinedale, WY

Join an interdisciplinary team to aid in monitoring and managing watersheds throughout Sublette County, WY! The Sublette County Conservation District (SCCD) aims to promote and maintain healthy rangelands, clean water and air and maintain premier wildlife and habitat. The SCCD Surface Water Program Manager will work closely with state and federal agencies and private landowners to collect chemical and biological data that will aid in management and understanding of water quality and health within Sublette County.

GENERAL REQUIREMENTS:

- Knowledge and experience using current approved chemical and biological sampling techniques. Must be familiar with developing research in your field, evaluating results, and integrating findings into planning and decision-making.
- Ability to work with SCCD staff, agency personnel and private land managers. Excellent communication and relationship skills are mandatory.
- Minimum a Bachelor Degree related to Aquatic Ecology or Fisheries Habitat and two (2) years experience.
- Computer, software, and technological knowledge and skills expected of natural resource professionals.

GENERAL DUTIES:

- Gathers data, interprets, analyzes and makes recommendations to determine and improve water quality. Follows the plans and directives of the District to protect water quality, soils, livestock, wildlife, and range.
 - Establishes sampling schedules and assimilates information needed to develop data, sample collection points, watershed monitoring locations, and implement projects. Correctly enters data into database and keeps information current.
 - Coordinates with the federal, state, and county agencies and land owners as needed to perform sampling for monitoring District plans or project development/implementation.
 - Performs sampling, maintains equipment including calibration and cleaning.
 - Develops written reports, reviews proposals, organizes assignments, and prepares documents or presentation as directed.
 - Creates and monitors a fiscal year budget for the program.
 - Supervision of a seasonal employee to assist with sampling and data entry.
 - Assist with other district programs as needed.
-

Permanent full-time year-round position

Salary Range: \$50,598 to \$61,218 per year depending upon qualifications and experience.

Benefit package includes: Retirement (Wyoming Retirement System), Health Insurance, Dental Insurance (optional), Vision Insurance (optional), Paid Holidays, Vacation & Sick Leave

APPLICATION SCREENING BEGINS May 29, 2018. Screening continues until a suitable candidate is hired.
